Delegates May Adopt Some Form of America's Programme to Determine Culpability of All-Mc-Cormick Talked of as Delegate to Russia.

PARIS, Jan. 23.-Punishment for the Kaiser and his associates was formally discussed by the Supreme War Council to-day.

The belief prevailed in certain quarters that the Council will adopt some form of the programme suggested by the American delegation in this regard-appointment of a special commission to investigate thoroughly the culpability of all those responsible for the war, from the Kaiser down, so that none might escape.
